- ▶ USB TIMESHIFT+ FOR EASY PROGRAMMING AND LONG AVAILABILITY OF CONTENT

The AQUOS LE657 series uses the very latest Sharp image technology to give you the best possible viewing experience, no matter what you're watching – 2D or 3D. Available in 80", the picture, with its natural colours, really comes alive and is rich in contrast and breathtaking depth. And what's more, the low energy consumption of the AQUOS LE657 means you get top image quality with efficiently low power consumption. This TV is 3D capable and with AQUOS NET+ means you have access to your world of contents through internet connection.
